OBJET : Letter of recommendation

We certify that M. Romain PINQUIE has done a training period in our Design Office Test Laboratory from May 2nd to September 2nd 2011, as part of the ESTIA Engineer 2nd year course.

The domain he worked on was the design of test installation, the set-up and monitoring of qualification testing.

Thanks to note that Mr Romain PINQUIE was very involved in its work with high professionalism and appreciable availability. Furthermore, a good sense of relationship allowed him to a rapid and complete integration in our work team.
